Step-4

Select the content from the Index of the pdf document and press Ctrl+b This will create a bookmark on the left hand side.

Step-5

Repeat the process for each of the content of the Index.

Step-6

Scroll down the to page associated to the concerned bookmark, specified in the index. Now, right click on the concerned book mark and click on Set destination. This will link the book mark with the concerned page.

Step-7

Repeat the process for each bookmark and save the file.
